**CASE QUANTITY:** Lever: 20,  
Knobs: Entry: 28, Passage / Privacy: 30

**WARRANTY:** 25-year mechanical warranty and 5-year finish warranty

### FUNCTIONS:

**PASSAGE** - KT10 / LT10 - (ANSI F75)  
Both knobs / levers are always unlocked. Suitable for hallways, closets, kitchens, or children's rooms.

**PRIVACY** - KT40 / LT40 - (ANSI F76)  
Either knob / lever operates the latch bolt. Outside knob / lever can be locked by inside turn button. Rotating inside knob / lever releases turn button. A coin inserted and turned in the emergency slot will unlock door from outside.

**ENTRY / OFFICE** - KT53 / LT53 - (ANSI F81)  
Both sides locked / unlocked by key outside or turn button inside. Inside always free. Turning the inside turn button counter-clockwise or the key clockwise locks the door, and turning in the opposite direction unlocks the door.

**DUMMY** - KT170, LT170  
Decorative trim that is non-functional
